Whether you spend an afternoon at the beach or lying beside our tropical-style pool, you'll find relaxation is just steps from your room. For a more thrilling departure from your business day, take to the waters of Mission Bay with a kayak lesson or tour our shoreline on a WaveRunner or windsurfer. Completing the balance of mind, body, and soul, the Catamaran Resort is located along a 7-mile jogging, rollerblading, and walking path which travels the shoreline of Mission Bay. And be sure to visit our new bayside Spa.

San Diego's climate provides finest year-round weather, with warm sunny winters, cool breezy summers, and always low humidity.

THE SPA

The Spa offers a complete line of restorative treatments including therapeutic and meditative massages, facials, body wraps, Vichy shower, and hydrotherapy.

The beautifully designed facility has ten individual treatment rooms, a Ritual room, a Vichy shower room, and a couples room. Both the men's and women's locker rooms include steam and sauna rooms.

South Pacific and Asian healing traditions inspired the special botanical and marine-based body treatments available only at the Catamaran Spa.

A deluxe fitness facility, the health club at The Spa is open to hotel guests and by membership. It offers a complete range of cardio and strength-training equipment. On a fresh-air exercise patio and in heated outdoor pools, members and guests can train or relax amidst views of the lush Catamaran gardens and Mission Bay.

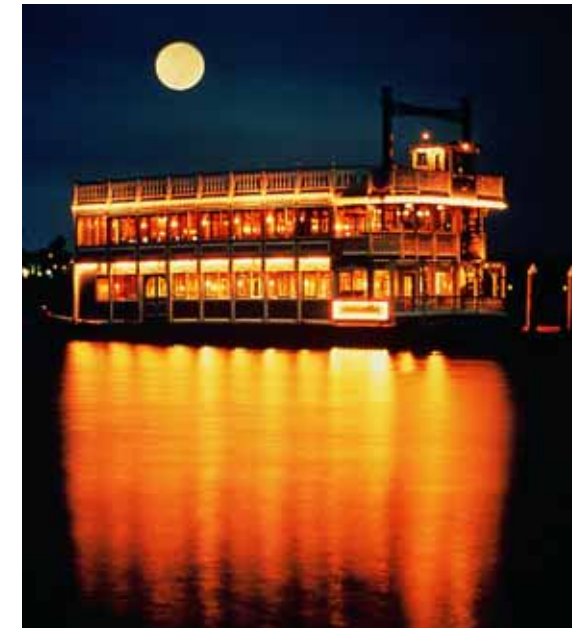

DINING

Dining becomes an experience at the Catamaran's Atoll Restaurant. Surrounded by colorful artwork, etched glass and views that stretch across Mission Bay to the San Diego skyline, guests are tantalized by award-winning cuisine complemented by an extensive wine list. The Atoll has been locally recognized for best brunch in San Diego, and also for the best hotel restaurant by *San Diego Magazine*, and is open for breakfast, lunch and dinner daily. Want to dine more informally? Let us serve you on the beach, patio or in your room.

BANQUETS

The resort's famed banquet menus satisfy a variety of tastes with their inventive, fresh style and stunning presentations. With our culinary expertise and beach-front setting, we can accommodate from 30 to 450 guests in one of our elegant ballrooms overlooking the bay — or we can accommodate you on the beach!
