SAN DIEGO CALIFORNIA

The Catamaran Resort Hotel offers casual elegance in a tropical paradise with acres of lush foliage and sun-drenched beaches.

Mission Bay, the world's largest aquatic park, is at your doorstep and the enticing waves of the Pacific Ocean are just 100 yards away.

The Catamaran tower commands a view from the shores of La Jolla to Old Mexico with spectacular views of Mission Bay and the San Diego skyline.

SeaWorld, the world-famous San Diego Zoo and San Diego International Airport are just minutes away.

The Catamaran's 311 rooms and suites are spacious and tastefully appointed with their own balcony or patio. Each has a king or two double beds and all the amenities you would expect at a world-class resort—including hair dryers, coffee makers, irons and ironing boards, and many with refrigerators.

Our full-service Catamaran Spa and luxury health club offer a complete line of restorative treatments including therapeutic and meditative massages, facials, body wraps, Vichy shower, hydrotherapy, and fresh-air yoga and Pilates classes. An outdoor whirlpool offers 360-degree views of Mission Bay.

Watersports abound at the Catamaran — sailboats, catamarans, jet skis, sailboards, and lessons, as well as a heated outdoor pool and whirlpool.

Take a stroll down our private pier and board the Bahia Belle sternwheeler for an evening of great live music, moonlit waters and sultry breezes as you cruise around Mission Bay. Both the William D. Evans and the Bahia Belle sternwheelers cruise Mission Bay for private events or public cruises with cocktails and dancing.

THE CATAMARAN RESORT HOTEL
